Biriş Goran Wins Coveted "Real Estate Law Firm of the Year" Award at CEE Construction and Investment Journal Gala on 6 December 2012

Bucharest, 12 December 2012

Biriş Goran is delighted to announce that it has won the coveted award for the category "Law Firm of the Year" at the CEE Construction and Investment Journal Gala on 6 December 2012. CEE Construction and Investment Journal is Central and Eastern Europe's leading real estate publication for investors and property professionals (www.cijjournal.com). The gala event has become a milestone event, and is viewed as the most prestigious awards ceremony for the real estate industry in Romania.

Biriş Goran was selected by its peers: over 140 real estate professionals across the country and the region voting online (and whose results were audited by a Big Four firm). Biriş Goran prevailed over a tough list of seasoned competitors on the market that were also nominated for the award: Nestor Nestor Diculescu Kingston Petersen, Țucă Zbârcea & Asociații, PeliFilip, and Salans.

Victor Constantinescu, co-head of the real estate department and co-managing partner of the firm, stated: "This award truly means a lot to us, as we won based on the voting of a large number of our peers. We appreciate the confidence that our clients and the market has given to us, and we intend to strive to continue our high standards." Raluca Năstase, co-head of the department, added: "And of course thanks must go to our hard-working colleagues, without whom this award would not be possible."
