Biriș Goran strengthens its GDPR consultancy team through the cooperation with Privacy One

Bucharest, 12 April 2018. Biriș Goran, ranked among the top Romanian law firms, and [PrivacyOne](#), a boutique firm specialized in legal advice on personal data protection, announce that they will join forces to provide consolidated advisory services in the field of personal data protection. The expertise of Privacy One – currently focusing on the alignment to the new Personal Data Protection Regulation – comes to complete the portfolio of services offered by Biriș Goran with thorough GDPR knowledge.

"Andreea Lisievici's (PrivacyOne) extensive experience in the personal data protection field, the high quality advice as well as the manner of thinking out and prioritizing the advice she offers, are very similar to the values which guide us at Biriș Goran" – stated Gabriel Biriș, founding partner with Biriș Goran and one of the top tax experts in the country. "We think alike and I am sure that the market will react positively to the added value brought by this cooperation to the benefit of our clients", added Gabriel Biriș.

Andreea Lisievici thinks that the partnership will support PrivacyOne's efforts of to deliver the highest quality and that its beneficiaries – the clients of both firms – shall appreciate the integrated products we offer.

"We worked hard to reach the current level of excellence, and PrivacyOne deserves to be where it is ranked today. We found in Biriș Goran an ideal partner that came at the best time possible, and thus we will be able to provide our clients with the attention they need.", stated Andreea Lisievici. "PrivacyOne's portfolio of clients, consisting in big names on the Romanian market, shall benefit not only from services for alignment and implementation of the new regulations on personal data protection, but also from our entire capacity of offering business legal advice."

Andreea Lisievici is a partner with [PrivacyOne](#), an office specialized in legal advice in the field of personal data protection and IT law.
