

PRESS RELEASE

Biriș Goran has assisted the owners with selling their interests in Kamino Cargo, a ground cargo handling business at the International Airport Henri Coandă, Otopeni - Bucharest

Bucharest, 7 August 2012

The law firm Biriș Goran (www.birisgoran.ro) has assisted the owners with selling their interests in Kamino Cargo (www.kamino.ro) to Menzies Aviation (www.menziesaviation.com). The transaction closed successfully.

Kamino is a ground cargo handling operator at the International Airport Henri Coanda, Otopeni - Bucharest.

Menzies Aviation is a global provider of passenger, ramp and cargo handling services.

Biriș Goran's legal team was lead by Christian Mîndru who was assisted by Dan Jalbă and Delia Cozma.

Christian Mîndru said: "We were happy to assist in the sale of the cargo handling business which was the first to be established as private operator at the Bucharest Otopeni Airport, to one of the global leaders in aviation services."

Menzies Aviation was assisted by Cătălin Micu and Iuliana Negoită of the law firm Zamfirescu Racoți Predoiu (www.zrp.ro).

About Biriș Goran

Since being established in 2006, Biriș Goran has grown to over 30 attorneys and fiscal consultants, with its separate fiscal consulting practice led by partner Ruxandra Jianu, who is licensed with the Romanian Chamber of Fiscal Consultants.
